REPORT OF ROAD AGENT

I hereby submit my sixth annual report.

Owing to an inadequate summer appropriation, we had to employ a policy of doing only that which was absolutely necessary, in order to cover all roads.

After tarring our 5 miles of tarred roads, at a cost of \$3,218.14, and cleaning up after last winter's ice storm, at a cost of \$717.43, we had a balance of \$3,064.43, to maintain our 26 miles of gravel or earth roads. Allowing \$117.86 per mile. Decidedly inadequate.

The Funds were divided in unit costs as follows:

Summer	\$7,000 00	Winter	\$4,000 00
Credits to Summer	20 00	Winter credits	212 20
Total	<hr/> \$7,020 00	Total	<hr/> \$4,212 20

Dragging	493 80	Shoveling	359 07
Scraping	175 20	Sanding	643 15

Supplies	200 08	by Government	39 50
Agent and car	390 39	Agent and car	489 89
Total	<hr/> \$7,780 05	Total	<hr/> \$3,497 85
Overdraft	\$760 05	Balance	\$714 35

Without the timely and friendly cooperation of the citizens who left their work to assist the department, this work could not have been accomplished. For which I am grateful.

Respectfully submitted,

WARREN H. PLIMPTON,
Agent

REPORT OF THE DUBLIN SCHOOL BOARD

To the Citizens of the Dublin School District:

We submit the one hundred and twenty-second annual report of the School Board.

This year has witnessed the greatest change in the personnel of our teaching staff that has taken place in a long time. We were very sorry to lose the services of the principal and teacher of the seventh and eighth grades, Mr. Alfred Tobey and of the fifth and sixth grade teacher, Miss Norma Worters. Miss Worters also supervised art training.

We feel that we have been most fortunate in securing the services of Mr. Irving C. Lewis as principal and of Miss Margaret Robb as teacher of grades five and six. Miss Robb has also been given the added task of music supervisor for which she is eminently fitted.

The Children's Garden Project of the last few years was again continued under the auspices of the Dublin Garden Club and with the co-operation of the Extension Bureau and the Community Parish. Last fall a very successful Children's Fair was held in the auditorium of the school. The children of Dublin, Harrisville, Chesham, Nelson, and Munsonville entered exhibits of handwork and vegetables.

At a minimum of expense, but with the investment of a great deal of extra time, the upper grade pupils under the supervision of the teachers canned ninety-eight quarts of tomatoes last fall and these are being used in the hot lunches of this winter.

We are happy to report that we have been able to resume our Hot Lunch Project this year. This is in charge of Miss Mary Grimes and is being operated at little or no expense above that contributed or raised by the pupils themselves.

In the late fall a Parent-Teacher Night was arranged at the school building. Children's work exhibits were arranged in the various rooms, much time was given for contacts between parents and teachers and an educational movie was presented. Refreshments were served by the ladies of the Dublin School Board. Two more of these nights are planned before the end of the year.

The seventh and eighth grade boys and girls have a club through which they receive training in parliamentary procedure and in the taking of responsibility for school projects.

The School Board wishes to express its appreciation for the cooperation of the teachers, janitor, superintendent, and community in the year just past.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE DUBLIN SCHOOL BOARD

I submit at this time my tenth annual report of the Dublin Consolidated School together with the statistical table and summary, and the report of Miss Margaret E. Harris, R.N.

The enrollment of the schools shows a sharp decrease from the figures of last year. For the school year 1942-1943 101 pupils were enrolled with an average membership for the year of 87.32. For the present school year 71 have been enrolled with an average membership for the first twelve weeks of 68.78. The largest decrease is shown in grades 7 and 8 where the enrollment is reduced from 28 to 16.

There were two positions to fill for the present school year. For principal and teacher of grades 7 and 8 Mr. Irving C. Lewis was chosen. Mr. Lewis is a graduate of Plymouth, N. H. Teachers' College and received the degree of B. S. in Education at Boston University in 1939. He has taught in Cornish and Kittery, Maine, and Seabrook and Errol, New Hampshire.

For the position in grades 5 and 6 Miss Margaret M. Robb was chosen. She is a graduate of Winona, Minnesota State Teachers' College and has a degree from Oberlin in music.

With her experience in both public and private school work, and her training in music we were able to use her for the work in music, as well as in teaching the regular grade subjects, and have thus dispensed with the services of a special music teacher.

Miss Grimes and Miss Saunders have continued their excellent work in the lower grades, and the noon lunches under the direction of Miss Grimes have been carried on with most satisfactory results.

The Dublin Consolidated School has been extremely fortunate in a year when so many schools have suffered from the lack of experienced and expert teachers.

Thus far only one rationing program has been called for, and that was managed with little interference with the regular school work.

While war conditions have called families from town and thus reduced our school enrollment Dublin is still sending a good number of pupils to Peterborough High School. This is especially encouraging at a time when so many pupils are leaving high school throughout the country.

I wish to express my appreciation to the School Board, Teachers, pupils and parents for their loyal support during the past year.

LEWIS S. RECORD,
Superintendent of Schools.
